

Doro 1360

EASY TO USE. HARD TO LEAVE BEHIND.

Doro 1360 is a dual SIM camera phone for people who prefer to read and write text messages, as well as view photos, on a wider display. The keypad's widely spaced, convex keys make dialling and texting easier, and a built-in assistance button lets you feel more secure. Get news and entertainment through the phone's FM-radio, and light your way with a handy, built-in torch.

- Easy viewing on a wide display
- Separated, high contrast keys
- Assistance button for extra safety
