

Doro 2404

EASY TO USE. HARD TO LEAVE BEHIND.

Doro 2404 is a dual SIM mobile phone for people who want easy menus and prefer a clamshell design to avoid accidental dialling. Direct keys and a widely spaced keypad make texting, calling and taking photos easier, and a built-in torch helps you find your way in the dark. Feel even more secure with the assistance button, and be alerted to missed calls or a low battery via a flashing LED lamp.

- Large, 2.4 inch display
- Separated, high contrast keys
- Assistance button for extra safety

Camera resolution (megapixel): 0.3
